

Preparing for your child's dental visit

What to expect during the visit:

- **2 hours before your appointment**, you will receive a Covid-19 questionnaire screening that will need to be completed for each individual child prior to the appointment.
- Text 71430 when you arrive to the office and you will be directed on how to enter the office.
- Patient information and medical histories will need to be completed on the iPad when you arrive (iPads are wiped down after every use)
- Temperature checks will be done upon entering the building and a hand washing station will be provided.
- We ask that you do wear a mask. If you do not have your own, you will be provided with one.
- We do ask for only **1 parent/ guardian** to accompany children during their visit.
- We do ask that you accompany your child for their cleaning to eliminate back and forth traffic in the office.
- We are offering contactless secure payments via text.
- Our office will be practicing social distancing.
- Parents of children who are receiving operative treatment can wait in our reception area or in their vehicle.

Please give us a call with any questions or concerns (520) 325-4746

We thank you for your cooperation and understanding during these times.
